During the 2.5-h urban photo safari, you shoot practicing the rule of thirds, looking at negative space, and discovering ways to create compositional balance and harmony in your pictures. As always you pick up between 1-4 new technical and aesthetic tips and tricks for shooting images of people, places, and things during the urban photo safari experience.

NYC Spark Your Creativity Photo Safari & Workshop is an experience that satisfies a love of adventure and desire to go beyond your comfort zone. The focus is on knowing how to see, *sapere vedere*, and to this end participants are given photo exercises to encourage both creativity and mastery of your camera.

Sessions include: (max 10 participants)

- 1- hour workshop
- 1- hour shooting (photo safari)
- .5- hour critique (uploading images to iPad)
